Text Reading/Notes The Spread of the Protestant
Reformation pgs 427-430

Switzerland

Ulrich Zwingli:

Conflict at Marburg:

- How did the positions of Zwingli and Luther on the sacrament of the Lord's supper differ?
- What was the purpose of the debate?
- Based on this example, why did many Reformation debates lead to further hostility rather than compromise and unity between religious and sectarian opponents?
- What implications did this have for the future of the Protestant Reformation?

- **John Calvin:**

- **The English Reformation:**

- **The Anabaptists:**
