

# Information for Regeneron ISEF Attendees

Regeneron ISEF 2023 will take place in Dallas, TX at the Kay Bailey Hutchison Convention Center from May 13-19, 2023. Regeneron ISEF 2023 is an in-person event with all finalists competing in-person. The in-person event will be complemented by a virtual site where finalist will share their project materials. Below you will information for attendees of Regeneron ISEF 2023.

## All Attendees

- [Preliminary Program](#): The Preliminary Program is to assist all fair participants in planning their travel and events for the week. Please note this schedule is subject to revisions, changes, and updates.
- [Housing](#): Subblock Housing and General Housing are now open. Please email [isefhousing@societyforscience.org](mailto:isefhousing@societyforscience.org) for housing related questions.
- AP Testing: AP exams do not conflict with Regeneron ISEF this year. AP exams will be administered May 1-5 and May 8-12.
- IB Testing: We are working with the International Baccalaureate Organization to arrange IB testing at Regeneron ISEF 2023. Interested finalists must have their school IB Coordinator fill out this [request form](#) and send it to [support@ibo.org](mailto:support@ibo.org) to the attention of Jacqueline Weare, Assessment Operations. Please note that there is a \$52USD fee per student associated with this process. Schools will be invoiced at the end of May.

## Finalists

- [Project Material Guidelines](#): All finalists are required to complete a virtual booth in addition to their physical display. The Project Material Guidelines list out the requirements for the virtual booth and provide guidance for the physical display.
- Show boards: Boards will be available for purchase/pickup on-site in Dallas. The cost and location of purchase/pick-up onsite are being determined. Details will be added to this page when they are finalized.
- Project Shipping: Finalists may have their project shipped to Regeneron ISEF. Once shipping instructions are finalized, they will be posted here.

## COVID-19

- [COVID-19 Policy](#): Society for Science continues to monitor the ongoing COVID-19 pandemic and all recommended guidelines. Please review our full policy.
